(Name) (Address of witness)

(2) Carl C. Copper, Redmond, Oregon
(Name) (Address of witness)

Remarks: E¹/₂ NE¹/₄ Section 7, is an adjoining additional homestead on which I have a filing, but must prove that I have water before I get the land. Will you please hurry this up and send me some statement I can give the Government to show I can irrigate it? This land must all be cleared before I can crop it, but will put some to crop this season. The manager of the C.O.I. District says that the ditch in the road, going east and west belongs to me.

STATE OF OREGON

PERMIT

County of Marion,

ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 1.05 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from C.O.I./Waste Water from the District John Smith, Underwood and C. Z. Pedee Ranches, being 0.80 c.f.s. from the Underwood and Pedee Ranches and 0.25 c.f.s. from the Smith Ranch.

The use to which this water is to be applied is IRRIGATION

If for irrigation, this appropriation shall be limited to 0.0069 c.f.s. or its equivalent for each acre irrigated from April 1, to May 1, 0.0091 c.f.s. or its equivalent for each acre irrigated from May 1, to May 15, 0.017 c.f.s. or its equivalent for each acre irrigated from May 15, to September 15, 0.0091 c.f.s. or its equivalent for each acre irrigated from September 15, to October 1, and 0.0069 c.f.s. or its equivalent for each acre irrigated from October 1, to November 1, and shall be further limited to 5.45 acre feet per acre for each acre irrigated, and shall also be limited to the water available at the proposed point of diversion, and shall not carry with it the right to divert water from the stream from which the waste water is diverted nor the right to require the wasteful use of water by others, and shall be subject to such reasonable rotation system as may be ordered by the proper State official.

The priority date of this permit is January 22, 1940

Actual construction work shall begin on or before February 9, 1941 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1941

Complete application of the water to the proposed use shall be made on or before October 1, 1942

WITNESS my hand this 9th day of February, 1940
