STATE OF OREGON

PERMIT

County of Marion,

} ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.4 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from

Plympton Creek

The use to which this water is to be applied is Locomotive Boiler

If for irrigation, this appropriation shall be limited to _____ of one cubic foot per
second

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is January 9, 1940

Actual construction work shall begin on or before April 20, 1941 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
October 1, 1942

Complete application of the water to the proposed use shall be made on or before
October 1, 1943

WITNESS my hand this 20th day of April, 1940
