STATE OF OREGON, County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The appropriation for irrigation purposes shall be limited to one-eightieth of one cu. ft. per sec. for each acre irrigated. The use hereunder shall conform to any reasonable rotation system ordered by the proper State officers.

The date of priority of this permit is January 2, 1913

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed Three (3.00) cubic feet per second. or its equivalent in case of rotation.

Actual construction work shall begin on or before March 7, 1914

and shall thereafter be prosecuted with reasonable diligence and be completed on or before

June 1, 1916

Complete application of the water to the proposed use shall be made on or before

October 1, 1916

WITNESS my hand this 7th day of March, 1913

John H Lewis

State Engineer.
