STATE OF OREGON

County of Marion,

PERMIT

} ss

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.32 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from

Willamette River

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per
second or its equivalent for each acre irrigated and shall be further limited to a
diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the
irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is April 24, 1941

Actual construction work shall begin on or before June 12, 1942 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
October 1, 1943

Complete application of the water to the proposed use shall be made on or before
October 1, 1944

WITNESS my hand this 12th day of June, 1941
