PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.53 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from

Wallowa River

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to of one cubic foot per second a diversion of not to exceed 1 1/2 acre feet per acre for each acre irrigated during any 30-day period from May 1, to July 31, and thereafter shall be limited to a diversion of not to exceed 1 acre foot per acre for each acre irrigated during the remainder of the irrigation season ending October 1, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 6, 1941

Actual construction work shall begin on or before July 21, 1942 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1943

Complete application of the water to the proposed use shall be made on or before October 1, 1944

WITNESS my hand this 21st day of July, 1941
