STATE OF OREGON 〕
〉 ss **PERMIT**
County of Marion, 〕

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed ....0.05......... cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from ....
....Unnamed Stream..

The use to which this water is to be applied is ...Irrigation...
....

If for irrigation, this appropriation shall be limited to ....1/30th............ of one cubic foot per second ..or its equivalent for each acre irrigated and shall be further limited to a.... diversion of not to exceed 2½ acre feet per acre for each acre irrigated during the irrigation season of each year,...

....

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is ....August 30, 1941.................

Actual construction work shall begin on or before ......October 30, 1942.................. and shall thereafter be prosecuted with reasonable diligence and be completed on or before .... October 1, 1943.................................

Complete application of the water to the proposed use shall be made on or before .... October 1, 1944.................

WITNESS my hand this ......30th........ day of ....October............., 194.1...

..............CHAS. E. STRICKLIN..............
STATE ENGINEER

Permits for power development are subject to the payment of annual fees as provided in sections 1 and 2, chapter 74, Oregon Laws 1933.
