STATE OF OREGON

PERMIT

County of Marion, ss

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.0025 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from

Mill Creek and Waste Water

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year, and shall also be limited to the water available at the proposed point of diversion, and shall not carry with it the right to compel the continuance of the waste water, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 13, 1942

Actual construction work shall begin on or before August 10, 1943 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1944

Complete application of the water to the proposed use shall be made on or before October 1, 1945

WITNESS my hand this 10th day of August, 1942
