(Name) (Address of witness)

Remarks: It is proposed under this application to utilize the waters of Jack Creek for the purposes herein enumerated. The rights which the applicant may have by reason of any water rights heretofore acquired are hereby specifically reserved and any water rights acquired hereunder are in addition thereto. The water herein appropriated will be carried through the Heising ditch and diverted therefrom into the Gallois Lateral in the SW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 33. The Heising Ditch is now used to carry water for power development.

STATE OF OREGON } ss County of Marion,

PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.43 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from

Jack Creek

The use to which this water is to be applied is Supplemental Irrigation, Domestic and Swimming Pool, being 0.22 c.f.s. for supplemental irrigation, 0.01 c.f.s. for domestic and 0.20 c.f.s. for swimming pool.

If for irrigation, this appropriation shall be limited to 1/60th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3 acre feet per acre for each acre irrigated during the irrigation season from May 1st to September 15th of each year; provided further that the amount of water allowed herein, together with the amount secured under any other right existing for the same lands shall not exceed the limitation allowed herein,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is May 16, 1941

Actual construction work shall begin on or before November 7, 1943 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1944

Complete application of the water to the proposed use shall be made on or before October 1, 1945

WITNESS my hand this 7th day of November, 1942

CHAS. E. STRICKLIN STATE ENGINEER
