(Legal subdivision)

Tp....., R....., W. M.
(No. N. or S.) (No. E. or W.)

(e) Is water to be returned to any stream?.....
(Yes or No.)

(f) If so, name stream and locate point of return.....
....., Sec....., Tp....., R....., W. M.
(No. N. or S.) (No. E. or W.)

(g) The use to which power is to be applied is.....

(h) The nature of the mines to be served.....

Municipal Supply—

11. To supply the city of _____
_____, County, having a present population of _____, and an
(Name of) estimated population of _____ in 19_____.

(Answer questions 12, 13, 14, and 15 in all cases)

- 12. Estimated cost of proposed works, \$ 250.00 _____
- 13. Construction work will begin on or before September 1, 1913 _____
- 14. Construction work will be completed on or before September 1, 1914 _____
- 15. The water will be completely applied to the proposed use on or before _____
September 1, 1914

Duplicate maps of the proposed ditch or other works, prepared in accordance with the rules of the Board of Control, accompany this application.

Ella Lickliger

(Name of applicant)

Signed in the presence of us as witnesses:

- (1) C H McCalloch Baker, Oregon
(Name) (Address of witness)
- (2) J L Lickliger Baker, Oregon
(Name) (Address of witness)

Remarks: No elaborate diversion works will be necessary as quantity of water to be diverted is small, and simple dam will be all that is necessary; the ditch to be utilized is already largely constructed being owned by claimant, and it is the purpose of claimant to proceed at once to the completion of such ditch as is necessary and the diversion and use of the waters called for in the application; this application is intended to be and offered as amendatory of and by way of completion of Application No. 3077 filed in the office of the State Engineer on July 12th, 1913.

STATE OF OREGON, }
County of Marion } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction or completion, as follows: _____

In order to retain its priority, this application must be returned to the State Engineer, with corrections, on or before _____, 19_____.

WITNESS my hand this _____ day of _____, 19_____.

State Engineer.

STATE OF OREGON, County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The appropriation for irrigation purposes shall be limited to one cu. ft. per second for each acre irrigated. The use hereunder shall conform to any reasonable system of rotation that may be ordered by the proper State officers. The priority date of the application is July 12, 1913.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed one cubic feet per second.

Actual construction work shall begin on or before Aug 20 1914 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1st, 1915.

Complete application of the water to the proposed use shall be made on or before Oct 1st, 1916

WITNESS my hand this 20th day of August, 1913.

John H Lewis State Engineer.
