PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 2.42 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Butter Creek Flood Water

The use to which this water is to be applied is Irrigation (supplemental)

If for irrigation, this appropriation shall be limited to 1/50th of one cubic foot per second and shall not exceed a diversion of 4 acre feet per acre for each acre irrigated during the irrigation season from January 1st to September 1st of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is January 2, 1945

Actual construction work shall begin on or before April 16, 1946 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1947

Complete application of the water to the proposed use shall be made on or before

October 1, 1948

WITNESS my hand this 16th day of April, 1945
