(Answer questions 11, 12, 13, and 14 in all cases)

11. Estimated cost of proposed works, \$..... nothing except own labor.

12. Construction work will begin on or before July 1, 1946

13. Construction work will be completed on or before July 12, 1946

14. The water will be completely applied to the proposed use on or before

..... July 12, 1946

(Sgd) Mrs. Dixie I. Smith
(Signature of applicant)

Remarks: Will this permit free us from danger of having this spring fed creek cut off from us?

..... This stream is very small. This summer we are moving up and will need the water for domestic use for a while. We paid more for the property because of the stream. We have our berries & trees planted on the stream and they depend largely on the spring fed stream for irrigation.

..... Very sincerely

(Sgd) Ronald D. Smith

for Dixie I. Smith
