STATE OF OREGON, County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The appropriation, together with all waters heretofore appropriated, is limited to one-eightieth of one cu. ft. per sec. for each acre irrigated. The use hereunder shall conform to any reasonable rotation system ordered by the proper State officers. The priority date of this permit is June 24, 1913.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 200 cubic feet per second. rotation.

Actual construction work shall begin on or before Oct 14 1914

and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1st, 1915

Complete application of the water to the proposed use shall be made on or before Oct 1st, 1919. WITNESS my hand this 14th day of October, 1913.

John H. Lewis State Engineer.
