(Sgd) Donald R. Gray
(Signature of applicant)

Remarks: Stickney's Ditch is the main creek running north into Catching
inlet.....

This creek straightened out by Orville Stickney sometime in the
Late Eighteen Hundreds.....

I want file on this main creek and the first side creek that joins it
Just inside my own south property line.....

Both of these creek arise on O and C Land grant.....

STATE OF OREGON, }
County of Marion, } ss

This is to certify that I have examined the foregoing application, together with the accompanying
maps and data, and return the same for completion.....

In order to retain its priority, this application must be returned to the State Engineer, with correc-
tions on or before January 27....., 1947....

WITNESS my hand this 27th..... day of December....., 1947

PERMIT

STATE OF OREGON, } ss County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.167 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an improved natural stream known as Stickney's Ditch

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year, and shall be still further limited to a diversion of not to exceed 0.167 c.f.s.,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is December 23, 1946

Actual construction work shall begin on or before April 15, 1948 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1949

Complete application of the water to the proposed use shall be made on or before October 1, 1950

WITNESS my hand this 15th day of April, 1947

CHAS. E. STRICKLIN STATE ENGINEER
