STATE OF OREGON, }
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed (0.75) three-fourths cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is Nov 24, 1913

Actual construction work shall begin on or before Jan. 30, 1915
and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1916

Complete application of the water to the proposed use shall be made on or before Oct. 1, 1917

WITNESS my hand this 30th day of January, 1914
John H Lewis
State Engineer.
