This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited
to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be
subject to such reasonable rotation system as may be ordered by the proper State officer.

This appropriation shall be limited to domestic supplies

The amount of water appropriated shall be limited to the amount which can be applied to bene-
ficial use and not to exceed (0.10) One-tenth cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is Dec. 15, 1913.

Actual construction work shall begin on or before Jan 30 1915
and shall thereafter be prosecuted with reasonable diligence and be completed on or before
June 1, 1916

Complete application of the water to the proposed use shall be made on or before
Oct. 1, 1917

WITNESS my hand this 30th day of January, 1914

John H. Lewis
State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in
Chapter 221, Session Laws of 1909
