STATE OF OREGON, }  
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 37/80 (0.46) cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is Nov 25, 1913.

Actual construction work shall begin on or before Feb 13, 1915  
and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1st, 1916

Complete application of the water to the proposed use shall be made on or before Oct 1st, 1917

WITNESS my hand this 15th day of February, 1914  
John H Lewis  
State Engineer.
