..... County, having a present population of
(Name of)
and an estimated population of in 19.....

(b) If for domestic use state number of families to be supplied

(Answer questions 11, 12, 13, and 14 in all cases)

- 11. Estimated cost of proposed works, \$ 1,400.00
- 12. Construction work will begin on or before August 1, 1948
- 13. Construction work will be completed on or before November 1, 1948
- 14. The water will be completely applied to the proposed use on or before January 1, 1949

(Sgd) Atlas Logging Co.
(Signature of applicant)

Roy A. Gould

Remarks: That portion of the water used for the mill pond is for the purpose
of maintaining a level in the water sufficient to float the logs. The water that will
be used in the mill will be for fire protection, drinking water, and miscellaneous use,
such as spraying the band saw to keep it cool, etc.

PERMIT

STATE OF OREGON, } ss County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.8 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from North Fork Wilson River

and unnamed stream and reservoir to be constructed under Application No. R-23330, Permit No. R-945, being 0.6 c.f.s. from N. F. Wilson R. & 0.2 c.f.s. from mill log pond and unnamed stream. The use to which this water is to be applied is mill log pond and mill

If for irrigation, this appropriation shall be limited to of one cubic foot per second

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 12, 1948

Actual construction work shall begin on or before October 29, 1949 and shall thereafter be prosecuted with reasonable diligence and be completed on or before

October 1, 1950

Complete application of the water to the proposed use shall be made on or before

October 1, 1951

WITNESS my hand this 29th day of October, 1948
