CERTIFICATE NO. 20114

## \* APPLICATION FOR PERMIT

## To Appropriate the Public Waters of the State of Oregon

I, George Spiesschaert & F. A. Vana	ken nf applicant)			
of Route 1 Forest Grove				
(Mailing address)  ate of				
following described public waters of the State of Oreg				
	lace of incorporation			
	•			
1. The source of the proposed appropriation is	Unnamed stream			
	ry of Dairy Creek			
2. The amount of water which the applicant inte	nds to apply to beneficial use is0.25			
cubic feet per second. (If water is to be used	from more than one source, give quantity from each)			
**3. The use to which the water is to be applied is				
	(Irrigation, power, mining, manufacturing, domestic supplies, etc.)			
4. The point of diversion is located ft	and ft. from the			
corner of Irrigation by means of portable pu	mping equipment			
from Unnamed stream being within the prop				
herein				
(If preferable, give distance and	bearing to section corner)			
(If there is more than one point of diversion, each must being within the NE NE NW NE & SW NE				
(Give smallest legal subdivision) NW	IN Sec. 30 (N. of s.)			
R. 4 W., W. M., in the county of Washington R 3 W. or W.)	······································			
5. The Pipe line	to be(Miles or feet)			
in length, terminating in the(Smallest legal subdivision	) (N. or S.)			
R, W. M., the proposed location being	shown throughout on the accompanying map.			
DESCRIPTION	OF WORKS			
Diversion Works—	, d			
6. (a) Height of dam feet, ler				
feet; material to be used and character				
rock and brush, timber crib, etc., wasteway over or around dam)				
(b) Description of headgate	imber, concrete, etc., number and size of openings)			
	10 10 mg			
	ption 10 - 12 HP Gas Engine, (Size and type of pump)			
	i, total head water is to be lifted, etc.)			
Will use sprinklers — total capacity 150	gom			

<sup>\*</sup> A different form of application is provided where storage works are contemplated.

<sup>\*\*</sup> Application for permits to appropriate water for the generation of electricity, with the exception of municipalities, must be made to the Hydroelectric Commission. Either of the above forms may be secured, without cost, together with instructions by addressing the State Engineer, Selem Corgon
