Town of Mitchell, Oregon,
(Name of applicant)
by A King, Mayor

Signed in the presence of us as witnesses:

- (1) S M Chesnut Mitchell, Oreg
(Name) (Address of witness)
- (2) Paul Lynch Mitchell, Oregon
(Name) (Address of witness)

Remarks: Mill Creek has an abundance of water, but we would recommend an
early adjudication of the water rights of Mill Creek in order to give
each water user his proper share of water.

This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited
to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be
subject to such reasonable rotation system as may be ordered by the proper State officer.

The appropriation shall be limited to municipal supply

The amount of water appropriated shall be limited to the amount which can be applied to bene-
ficial use and not to exceed One (1.00) cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is March 9, 1914

Actual construction work shall begin on or before April 13, 1915
and shall thereafter be prosecuted with reasonable diligence and be completed on or before
June 1st, 1916

Complete application of the water to the proposed use shall be made on or before
Oct 1st, 1917

WITNESS my hand this 13th day of April, 1914
John H Lewis

State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in
Chapter 221, Session Laws of 1911.
