STATE OF OREGON,
County of Marion
ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited
to one-eighth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be
subject to such reasonable rotation system as may be ordered by the proper State officer.

This appropriation shall be limited to placer mining.
The priority date of this permit is December 26th, 1913

The amount of water appropriated shall be limited to the amount which can be applied to bene-
ficial use and not to exceed five (5.0) cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is

April 30, 1915
Actual construction work shall begin on or before

and shall thereafter be prosecuted with reasonable diligence and be completed on or before
June 1st, 1916

Complete application of the water to the proposed use shall be made on or before
Oct 1st, 1917

WITNESS my hand this 30th day of April, 1914

John H. Lewis

State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in
Chapter 245, Session Laws of 1911.
