PERMIT

STATE OF OREGON, County of Marion, ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 6.22 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Moore Reservoir, to be constructed under Application No. R-24328, Permit No. R-1035

The use to which this water is to be applied is supplemental irrigation

If for irrigation, this appropriation shall not exceed a total diversion of 200 acre feet in any one irrigation season,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is December 9, 1949

Actual construction work shall begin on or before September 29, 1951 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1952

Complete application of the water to the proposed use shall be made on or before

October 1, 1953

WITNESS my hand this 29th day of September, 1950
