Duplicate maps of the proposed ditch or other works, prepared in accordance with the rules of the State Water Board, accompany this application.

M O Dennis
(Name of applicant)
Lee Savely

Signed in the presence of us as witnesses:

- (1) J J Chisholm, Pendleton, Oregon
(Name) (Address of witness)
- (2) R W Ayers, Pendleton, Oregon
(Name) (Address of witness)

Remarks: The above applicants are not the present owner of land which is to be irrigated by the proposed appropriation hereby applied for, but a deal is now pending whereby they are to become the owners. Should this deal not be consummated within 60 days from the date hereof, then this application will be cancelled.

Applicants are personally acquainted with the water flow of Butter Creek and hereby certify that to their personal knowledge, there are many years during which water runs to waste through said Butter Creek, being both seepage raising along creek channel (as herein applied for) and, what is commonly known as "Flood Water" or water during flood seasons. It is further certified by said applicants that there is no land irrigated by water diverted from said Butter Creek below proposed point of diversion indicated in this application.

STATE OF OREGON, }
County of Marion } ss.

STATE OF OREGON, }
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The appropriation for domestic supply shall be limited to one-tenth of one cubic foot per second.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.41 cubic feet per second, or its equivalent in case of

rotation. The priority date of this permit is July 3, 1914

Actual construction work shall begin on or before Aug 20, 1915

and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1916

Complete application of the water to the proposed use shall be made on or before Oct 1, 1918

WITNESS my hand this 20th day of August, 1914.

John H Lewis

State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in Chapter 221, Session Laws of 1909.
