STATE ENGINEER

PERMIT

STATE OF OREGON,
County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.175 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from an unnamed Creek.

The use to which this water is to be applied is irrigation.

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per
second or its equivalent for each acre irrigated and shall be further limited to
a diversion of not to exceed 4 $\frac{1}{2}$ acre feet per acre for each acre irrigated
during the irrigation season of each year.

All the subject to such reasonable rotation system as may be ordered by the proper state officer.

The expiry date of this permit is March 31, 1952.

The construction work shall begin on or before August 29, 1953 and shall
be completed with reasonable diligence and be completed on or before

The delivery of the water to the proposed use shall be made on or before

day of August

Chas E. Stuckey
STATE ENGINEER
