CHAS. E. HUMPHREY

Ed. E. Humphrey, Assistant

PERMIT

STATE OF OREGON,

County of Marion.

This is to certify that I have examined the foregoing application and do hereby grant the same, **SUBJECT TO EXISTING RIGHTS** and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.25 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Salt Creek and Reservoir to be constructed under Application No. R-24013, Permit No. R-1390

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated from direct flow and shall be further limited to a diversion of not to exceed 2 1/2 acre feet ^{per acre} for each acre irrigated during the irrigation season of each year from direct flow and storage from reservoir to be constructed under Permit No. R-1390 and shall be still further limited to a diversion of not to exceed 0.25 ~~2 1/2~~ acre feet,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 16, 1949

Actual construction work shall begin on or before December 31, 1950 and thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1951

Complete application of the water to the proposed use shall be made on or before October 1, 1955

WITNESS my hand this 1st day of December, 1949

Permittees and applicants are subject to the payment of annual fees as provided in section 10-1-1, Oregon Statutes.
