STATE ENGINEER

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed .0.20 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from an unnamed stream and
reservoir to be constructed under Application No. R-27630, Permit No. R-1430.

The use to which this water is to be applied is irrigation.

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per
second or its equivalent for each acre irrigated from direct flow and shall be further limited
to a diversion of not to exceed 2½ acre feet per acre for each acre irrigated during
the irrigation season of each year from direct flow and storage from reservoir to be con-
structed under Permit No. R-1430,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is September 9, 1952.

Actual construction work shall begin on or before March 1, 1953 and shall
hereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1953.

Complete application of the water to the proposed use shall be made on or before October 1, 1953.

WITNESS my hand this

day of

March

1952.
