by *Ruby D. Nutting*

Remarks: This application is for supplemental water for irrigation of some lands evidenced by Certificate of Water Right recorded in Vol 13, Page 15424 State Records of Water Right Certificates and 1.4 acres primary irrigation. Principal source during low water flow is from springs which flow into creek from Mary I. Jobee property a short distance above point of diversion described herein. The map, reference is made to the map made by James Burnell of the State Engineers Office under final proof under permit No. 1425 except the proposed point of diversion is upper at the same place as the shown on Burnell's map.

STATE OF OREGON

County of Marion

SS

I do hereby certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for _____

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before _____ 19_____

WITNESS my hand this _____ day of _____, 19_____

PERMIT

STATE OF OREGON, }
County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed0.285..... cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from unnamed stream also known as Coffee Lake Creek

The use to which this water is to be applied is irrigation, supplemental irrigation and fish culture, being 0.035 c.f.s. for irrigation and 0.25 c.f.s. for fish culture.

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year; provided further that the amount of water allowed herein together with the amount secured under any other right existing for the same lands shall not exceed the limitation allowed herein,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer

The priority date of this permit is October 17, 1932 for irrig. & November 1, 1932 for Fish Culture

Actual construction work shall begin on or before March 31, 1934 and shall

hereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1934

Complete application of the water to the proposed use shall be made on or before October 1, 1934

WITNESS my hand this 11th day of March 1934
