To Appropriate the Public Waters of the State of Oregon

I, Richard E. Bathlem
of
State of Oregin
following described public waters of the State of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. The source of the proposed appropriation is <u>Healty Creek</u> (Name of stream)
, a tributary of Wallowa River
2. The amount of water which the applicant intends to apply to beneficial use is
cubic feet per second. (If water is to be used from more than one source, give quantity from each)
**3. The use to which the water is to be applied is dom. including irrigation of not to (Urrigation, power, mining, manufacturing, domestic supplies, etc.)
exceed 1/2 acre lawn & garden
4. The point of diversion is located
corner of Sa 19° 2! Wa, 1912! from the N.1 corner of Sec. 1
(Section or subdivision)
(If preferable, give distance and bearing to section corner)
(If there is more than one point of diversion, each must be described. Use separate sheet if necessary)
being within the Lot. 6 (NR) NW2) of Sec. 1, Tp. 3S (Sec. 1)
R. LLE , W. M., in the county of Wallowa
5. The
in length, terminating in the
R, W. M., the proposed location being shown throughout on the accompanying map.
(E or W.)
DESCRIPTION OF WORKS Diversion Works—
6. (a) Height of dam feet, length on top feet, length at botto
feet; material to be used and character of construction
Loose rock concrete, mason
rock and brush, timber crib, etc., wasteway over or around dam)
(b) Description of headgate (Timber, concrete, etc., number and size of openings)
(c) If water is to be pumped give general description Gravity (Size and type of pump)
(Size and type of engine or motor to be used, total head water is to be lifted etc.)

**Application for permits to appropriate water for the generation of electricity, with the exception of municipalities, must be made to the Hydroelectric Commission. Either of the above forms may be secured, without cost, together with instructions by addressing the State Engineer, Salem, 3-25—4M.

Beginning at a point which is South 888.0 feet and West 25.0 feet from the Northeast corner of the Northwest quarter of Section 1, Township 3 South, Range like East, Willamette Meridian; thence South 150.0 feet and parallel to the North boundary of Lot 6, Section 1, Township 3 South, Range likest, Willamette Meridian; thence South 150.0 feet and parallel to the West boundary of Lot 6, Section 1, Township 3 South, Range likest, Willamette Meridian; thence South 150.0 feet and parallel to to the West boundary of Lot 6, Section 1, Township 3 South, Range likest, Willamette Meridian; thence North 150 feet and on East boundary of Lot 6, Section 1, Township 3 South, Range likest, Willamette Meridian to place of beginning, together with right to use of readway adjoining above described tract on East. Subject to rights of way of record.
