STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction and completion.

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before August 18, 1953, 19_____

WITNESS my hand this 19th day of June, 1953

CHAS. E. STRICKLIN
STATE ENGINEER

BY *Chris L. Wheeler*
Chris L. Wheeler, Assistant

dg

... and do hereby grant the same, following limitations and conditions:

The right herein granted is of the amount of water which can be applied to beneficial use ... measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Rig Fall Creek

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is May 25, 1953

Actual construction work shall begin on or before December 24, 1954 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1955

Complete application of the water to the proposed use shall be made on or before October 1, 1956

WITNESS my hand this 24th day of December, 1953
