STATE OF OREGON, }
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

This application is limited to 25 cubic feet per second for placer mining

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 25 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is October 10, 1914

Actual construction work shall begin on or before February 1, 1916

and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1917

Complete application of the water to the proposed use shall be made on or before

October 1, 1918

WITNESS my hand this 1st day of February, 1915

John H Lewis

State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in Chapter 221, Session Laws of 1909
