STATE OF OREGON,  
County of Marion  
ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,  
subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited  
to one-eighth of one cubic foot per second, for each acre irrigated, and shall be

subject to such reasonable rotation system as may be ordered by the proper State officer.  
The water under this application is limited to Municipal water supply for Oregon City

The amount of water appropriated shall be limited to the amount which can be applied to bene-  
ficial use and not to exceed 6 cubic feet per second, or its equivalent in case of  
rotation. The priority date of this permit is July 17, 1914.

Actual construction work shall begin on or before February 8, 1916  
and shall thereafter be prosecuted with reasonable diligence and be completed on or before  
July 1, 1921

Complete application of the water to the proposed use shall be made on or before  
October 1, 1925

WITNESS my hand this 8th day of February, 1915

John H Lewis

State Engineer.
