In order to retain its priority, this application must be returned to the State Engineer, with cor-

rections on or before....,19......,19......

initations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.038 cubic feet per second measured at the point of diversion from		
the stream, or its equivalent in case of rotation with other water users, from an unnamed spring		
The use to which this water is to be applied is demestic and irrigation, being 0.01 cfs for demestic and 0.028 cfs for irrigation.		
If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per		
second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 22 acre feet per acre for each acre irrigated during the irrigation		
season of each year, and shall be still further limited to a diversion of not to		
exceed 0.038 cfs,		
and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.		
The priority date of this permit is September 25, 1953		
Actual construction work shall begin on or before March 12, 1955 and shall		
thereafter be prosecuted with reasonable diligence and be completed or or before October 1, 1955		
Complete application of the water to the proposed use shall be made on or before October 1 1956		
WITNESS my hand this 12th day of March , 1954.		
WITNESS my hand this 12th day of March , 1954. STATE ENGINEER
