Chris L. Wheeler, Assistant

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use 2 acre feet stored water only and shall not exceed 0.277 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from the North Fork of the Deep-Creek reservoir to be constructed under Application No. R-28430, Permit No. R-1588

The use to which this water is to be applied is Irrigation- supplemental irrigation

If for irrigation, this appropriation shall be limited to 1/100 of one cubic foot per second or its equivalent for each acre irrigated from direct flow and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year from direct flow and storage from reservoir to be constructed under Permit No. R-1588 ; provided further that the amount of water allowed herein, together with the amount secured under any other right existing for the same lands shall not exceed the limitation allowed herein; and shall be still further limited to a diversion of not to exceed 2 acre feet,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is May 19, 1953

Actual construction work shall begin on or before April 30, 1955 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1956

Complete application of the water to the proposed use shall be made on or before October 1, 1957

WITNESS my hand this 30th day of April, 1954

Chas. E. Stricklin STATE ENGINEER
