Remarks: We are making application for this water right to irrigate a family garden, few fruit trees and some pasture. Our total land is 2 1/2 acres. Soil is a reddish and looks to be very fertile from the vetch that has grown on it without care.

We are not sure about location of pipe, as an engineer from Fairbanks & Morris is coming out to show us how to install it.

STATE OF OREGON }  
County of Marion, } ss.
