STATE OF OREGON, County of Marion ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The use of the water is limited to irrigation and domestic supply.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.23 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is Dec. 31, 1914.

Actual construction work shall begin on or before March 6, 1916, and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1917.

Complete application of the water to the proposed use shall be made on or before October 1, 1918.

WITNESS my hand this 6th day of March, 1915. John H. Lewis, State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in Chapter 286, Session Laws of 1911. Chapter 221, Session Laws of 1909.
