STATE OF OREGON, }
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions: ~~If for irrigation, this appropriation shall be limited
to one eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be
subject to such reasonable rotation system as may be ordered by the proper State officer.~~

The use of this water under this permit is limited to water for placer mining

The amount of water appropriated shall be limited to the amount which can be applied to bene-
ficial use and not to exceed 10.0 cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is Nov. 30, 1914

Actual construction work shall begin on or before April 3, 1916
and shall thereafter be prosecuted with reasonable diligence and be completed on or before
June 1, 1917

Complete application of the water to the proposed use shall be made on or before
October 1, 1918

WITNESS my hand this 3d day of April, 1915
John H Lewis
State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in
Chapter 226, Session Laws of 1911
