13. Construction work will be completed on or before completed

14. The water will be completely applied to the proposed use on or before completed

O. J. Otjen
(Signature of applicant)

Remarks: This application is designed primarily to insure permittee access to water from a spring located at the above point for the sole purpose of watering domestic animals. A pipe and small tank have been installed to facilitate the watering of animals. This is a year-round spring, and the excess waters eventually seep into the Rogus river.

Description of property of O.F. Otjen in Polk County

to wit: the east one-half of the northwest one-quarter of the southwest one-quarter; the southwest one-quarter of the southwest one-quarter; the north-east one-quarter of the southwest one-quarter; all in section 11, township 6 south, range 8 west of the Willamette meridian, Polk County, Oregon.

Approx 30 head Beef animals

STATE OF OREGON }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for _____

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before _____, 19_____.

WITNESS my hand this _____ day of _____, 19_____.

STATE ENGINEER
