STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for signature and completion.

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before July 25 19 55.

WITNESS my hand this 26th day of May 19 55

LEWIS A. STANLEY
By Robert D. Best, Assistant
STATE ENGINEER
dg

PERMIT

STATE OF OREGON,

County of Marion.

ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.457 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from spring branch

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 0.0375 of one cubic foot per second or its equivalent for each acre irrigated and shall be still further limited to a diversion of not to exceed 0.457 c.f.s.,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is April 27, 1955

Actual construction work shall begin on or before September 22, 1956 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1957

Complete application of the water to the proposed use shall be made on or before October 1, 1958

WITNESS my hand this 22nd day of September 19 55

STATE ENGINEER

Permits for power development are subject to the payment of annual fees as provided in sections 1 and 2, chapter 74, Oregon Laws 1933.
