(b) Description of headgate none

(c) If water is to be pumped give general description
size and type of

(If applicant is a corporation, give date and place of incorporation)

This permit is issued for the purpose of appropriating water for the generation of a hydroelectric power plant, and the applicant agrees to construct and maintain the same in accordance with the provisions of the State Public Utility Act, Chapter 350, Oregon Laws 1931, and to file with the State Engineer a plan of the works to be constructed, together with a statement of the capacity of the works, and to file with the State Engineer a statement of the capacity of the works, and to file with the State Engineer a statement of the capacity of the works.

PERMIT

STATE OF OREGON, }
County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an unnamed spring

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer

The priority date of this permit is June 27, 1955

Actual construction work shall begin on or before November 21, 1956 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1957

Complete application of the water to the proposed use shall be made on or before October 1, 1958

WITNESS my hand this 21st day of November, 1955

Walter A. ...
