PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 7.0 acre feet stored water only ~~cubic feet per second~~ measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a reservoir to be constructed under Application No. R-30240, Permit No. R-1796.

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to / a diversion of 2 1/2 acre feet ~~of one cubic foot per second~~ or its equivalent for each acre irrigated during the irrigation season of each year and shall be further limited to a total diversion of not to exceed 7.0 acre feet per year.

and shall be subject to such reasonable rotation system as may be ordered by the proper authorities.

The priority date of this permit is August 25, 1955

Actual construction work shall begin on or before February 15, 1957 and thereafter be prosecuted with reasonable diligence and be completed on or before February 1, 1957.

Complete application of the water to the proposed use shall be made on or before February 1, 1958.

WITNESS my hand this 15th day of February, 1956.

Louis A. Stanley
STATE ENGINEER
