STATE OF OREGON, }  
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: ~~If for irrigation~~, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be

subject to such reasonable rotation system as may be ordered by the proper State officer. This application is granted subject to existing rights and attention is called to prior applications of the Starlight Irrigation District, No. 2526 and 2527.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.25 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is March 10, 1915.

Actual construction work shall begin on or before April 28, 1916 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1917

Complete application of the water to the proposed use shall be made on or before October 1, 1918

WITNESS my hand this 28th day of April, 1915.  
John H Lewis  
State Engineer.
