- 13. Construction work will be completed on or before .....
- 14. The water will be completely applied to the proposed use on or before .....

*[Handwritten Signature]*  
(Signature of applicant)

Remarks: The water system herein described was constructed and financed by the Mt. Emily Lumber Company for logging railroad purposes, many years ago. They have now abandoned the railroad operation and have agreed in writing to quit claim all rights and interests in connection with this water system, to the State Water Commission.

It is presumed that the construction was completed on or about the year 1920. No costs or dates are available.

STATE OF OREGON, }  
County of Marion, } ss

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for signature

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before January 9th, 1936

WITNESS my hand this 3th day of November, 1936

LEWIS A. STANLEY  
STATE ENGINEER

By Chris L. Wheeler, Assistant

PERMIT

STATE OF OREGON, }  
County of Marion, } ss

This is to certify that I have examined the foregoing application and do hereby grant the same. SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed ~~XXXXX~~ <sup>24 gallons per minute</sup> cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from three unnamed springs, being 8 gallons per minute from each spring.

The use to which this water is to be applied is public park purposes

If for irrigation, this appropriation shall be limited to \_\_\_\_\_ of one cubic foot per second

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is October 24, 1955

Actual construction work shall begin on or before February 15, 1956 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1957

Complete application of the water to the proposed use shall be made on or before October 1, 1957

WITNESS my hand this 15th day of February 1956
