(Legal subdivision)

Tp. 5 N, R. 35 E, W. M.
(No. N. or S.) (No. E. or W.)

(e) Is water to be returned to any stream? Yes
(Yes or No)

(f) If so, name stream and locate point of return Walla Walla River

NE 1/4 of the SE 1/4, Sec. 12, Tp. 5 N, R. 35 E, W. M.
(No. N. or S.) (No. E. or W.)

(g) The use to which power is to be applied is.....
Generating electric current

(h) The nature of the mines to be served.....

MUNICIPAL SUPPLY—

11. To supply the city of Milton
Umatilla 1500
County, having a present population of _____, and an
(Name of) _____, and an
estimated population of _____ in 1914.

(Answer questions 12, 13, 14, and 15 in all cases)

- 12. Estimated cost of proposed works, \$ 18,000.00
- 13. Construction work will begin on or before November First, 1914
- 14. Construction work will be completed on or before January First, 1915
- 15. The water will be completely applied to the proposed use on or before Aug. First, 1915

Duplicate maps of the proposed ditch or other works, prepared in accordance with the rules of the State Water Board, accompany this application.

City of Milton
(Name of applicant)

Signed in the presence of us as witnesses:

- (1) _____
(Name) _____ (Address of witness) _____
- (2) _____
(Name) _____ (Address of witness) _____

Remarks: The above application is for the privilege of diverting the waters of the Walla Walla River, for the purpose of extending and consolidating two existing systems, now owned and operated by the City of Milton, with a present diversion at the SE 1/4 of the NE 1/4 of Sec. 13 Tp 5 N. R 35 E.W.M.

The city of Milton under a prior appropriation claims a right to divert the water and develop the power herein applied for and expressly reserves all rights of whatever nature heretofore acquired. The application is filed as a precautionary measure to prevent any interference with the rights of said City and to cure any defects in said right, which may exist by reason of the long delay between the original appropriation and contemplated enlargement and extension thereof.

STATE OF OREGON, }
County of Marion } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction or completion, as follows:

For fees amounting to \$8.00

In order to retain its priority, this application must be returned to the State Engineer, with corrections, on or before April 23, 1915

WITNESS my hand this 24th day of March, 1915

John H. Lewis
State Engineer.

McC 1 map \$8.00

STATE OF OREGON, County of Marion ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The use of the water under this permit is limited to water for municipal Power and Domestic use.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 82.0 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is Nov. 14 1914, 1915.

Actual construction work shall begin on or before May 3, 1916 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1917

Complete application of the water to the proposed use shall be made on or before October 1, 1918

WITNESS my hand this 3d day of May, 1915

John H Lewis State Engineer

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in Chapter 221, Session Laws of 1909
