WITNESS my hand this _____ day of _____, 19_____.

STATE ENGINEER

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.10 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from "Inwood Spring"

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to 1/4 cfs. of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3 1/2 acre feet per acre for each acre irrigated during the period of the season of each year.

and shall be subject to such reasonable rotation system as may be ordered by the State Engineer.

The priority date of this permit is September 21, 1955

Actual construction work shall begin on or before March 20, 1956 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1956.

Complete application of the water to the proposed use shall be made on or before October 1, 1956.

WITNESS my hand this 20th day of March, 1956

STATE ENGINEER
