PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.85 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Budding River south

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 2.1 acre feet per second or its equivalent for each acre irrigated and shall be further limited to not to exceed 2.1 acre feet per acre for each acre irrigated per season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer

The priority date of this permit is February 20, 1956

Actual construction work shall begin on or before March 20, 1956 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1956

Complete application of the water to the proposed use shall be made on or before October 1, 1956

WITNESS my hand this 20th day of March, 1956

Application No. 30596
