This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.18 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is April 12, 1915.

Actual construction work shall begin on or before May 12, 1916 and shall thereafter be prosecuted with reasonable diligence and be completed on or before

June 1, 1917 EXTENDED TO 6/1/18

Complete application of the water to the proposed use shall be made on or before October 1, 1918

WITNESS my hand this 12th day of May, 1915

John H Lewis

State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in Chapter 449, Session Laws of 1911. Chapter 221, Session Laws of 1917
