13. Construction work will be completed on or before July 20, 1956

14. The water will be completely applied to the proposed use on or before July 20, 1956

L. A. Stanley
(Signature of applicant)

Remarks: The land on which the permit is applied for was previously under two separate parcels separated only by a line fence. One is in the tier D.L.C. and the other from the Webster D.L.C. The legal descriptions have been included on a separate page. The stream from which the water is being applied for is the North Fork. Between the two sections of both parcels.

STATE OF OREGON, {
County of Marion. } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for signature

In order to retain its priority, this application must be returned to the State Engineer's office in Marion on or before August 13, 19 56.

WITNESS my hand this 13th day of June, 19 56.

By LEWIS A. STANLEY
State Engineer

Chris L. Wheeler, Assistant

PERMIT

STATE OF OREGON,
County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.42 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from Kizer Slough.

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 2 1/20 cubic feet per second
second or its equivalent for each acre irrigated and shall be further limited by the following
of not to exceed 2½ acre feet per acre for each acre irrigated, for the irrigation
season of each year.

and shall be subject to such reasonable rotation system as may be ordered by the watermaster.

The priority date of this permit is May 26, 1956

Actual construction work shall begin on or before July 25, 1956
thereafter be prosecuted with reasonable diligence and be completed on or before December 1, 1956.

Complete application of the water to the proposed use shall be made on or before December 1, 1956.

WITNESS my hand this 25th day of July, 1956.

PERMIT

TO APPROPRIATE THE PUBLIC
WATERS OF THE STATE
OF OREGON
