STATE OF OREGON, }  
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,  
subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited  
to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be  
subject to such reasonable rotation system as may be ordered by the proper State officer.

The use of the water under this permit shall be limited to domestic purposes  
including all municipal supplies, and manufacturing.

The amount of water appropriated shall be limited to the amount which can be applied to bene-  
ficial use and not to exceed 2.0 cubic feet per second, or its equivalent in case of  
rotation. The priority date of this permit is May 1, 1915, 191

Actual construction work shall begin on or before May 17, 1916  
and shall thereafter be prosecuted with reasonable diligence and be completed on or before  
June 1, 1919

Complete application of the water to the proposed use shall be made on or before  
October 1, 1922

WITNESS my hand this 17th day of May, 1915, 191  
John H. Lewis  
State Engineer.

Permits for power development are subject to the limitation of franchise and the payment of annual fees as provided in  
Chapter 21, Session Laws of 1911.
