Remarks: Lands to be irrigated now have rights from Seven Mile
Creek through the Leesley-Gullertson, Leesley and Madson, etc.,
but because these lands lie below the other users of the Leesley-Gul-
bertson Ditch and Seven Mile Creek their supply is not certain. The
diversion of piping will allow of their receiving water at all
seasons and quantities with an excess of water.

PERMIT

STATE OF OREGON, }
County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 2.22 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Anna Creek Slough Drain

The use to which this water is to be applied is supplemental irrigation

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3 acre feet per acre for each acre irrigated during the irrigation season of each year; provided further that the amount of water allowed herein together with the amount secured under any other right existing for the same land shall not exceed the limitation allowed herein and shall also be limited to the water available at the proposed point of diversion and shall not carry with it the right to compel the continuance of the waste water,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is February 6, 1957

Actual construction work shall begin on or before March 25, 1958 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1959

Complete application of the water to the proposed use shall be made on or before October 1, 1959

WITNESS my hand this 25th day of March 19 57.
