PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.06 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from unnamed stream and Deer Creek, being 0.05 c.f.s. from Deer Creek for irrigation and 0.01 c.f.s. from unnamed stream for domestic and irrigation.

The use to which this water is to be applied is irrigation and domestic use

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year, and shall be still further limited to a diversion of not to exceed 0.06 c.f.s.

and shall be subject to such reasonable rotation system as may be ordered by the proper state authority

The priority date of this permit is November 16, 1956

Actual construction work shall begin on or before March 25, 1957

It is to be completed with reasonable diligence and be completed on or before October 1, 1957

Complete application of the water to the proposed use shall be made on or before October 1, 1957

WITNESS my hand this 25th day of March 1957
