STATE OF OREGON,

County of Marion

RS ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.02 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is July 30, 1915.

Actual construction work shall begin on or before August 4, 1916 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1917.

Complete application of the water to the proposed use shall be made on or before October 1, 1918.

WITNESS my hand this 4th day of August, 1915

John H. Lewis State Engineer

Permits for power development are subject to the limitation of franchise as provided in Sec. 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Laws of 1915.
